R. A. WAITE

To Be One of the Big Attractions at the State Sunday School Convention Here in October.

One of the prominent speakers secured for the State Convention of the Kentucky Sunday School Association to be held in Maysville October 16-18 is Mr. R. A. Waite, of Chicago, who is superintendent of the Secondary Division of the International Sunday School Association. Mr. Waite has a passion for work with the teen age boys and girls, and is most successful in helping them to achieve their best. Probably no man in America has had greater experience with teen age boys than Mr. Waite. For many years he was connected with the religious work department of the International Young Men's Christian Association, and while occupying this position he placed special emphasis on the religious life of older boys. He has held conferences with boys and with the leaders of boys and girls in all parts of the country. He is a wonderfully magnetic speaker and those who hear him once are always anxious to hear him again. This will be his first visit to Kentucky and the Sunday School workers from all parts of the state are preparing to give him a hearty welcome.

MOST EXCELLENT YEAR'S WORK
There were four additions by letter at the Third Street M. E. Church last evening at the close of the prayer meeting. At the prayer service Rev. S. K. Hunt, the pastor, made a report on his year's work, which was a most pleasing one. During the past year there have been only three names dropped from the church roll and there have been thirty additions. Next Sunday is expected to be a banner day in all departments of the church. On next Sunday morning Rev. Hunt will preach what may be his last sermon, as he may be called to France in September to take charge of a war orphanage.

WANTED
FIFTY MASON COUNTY FARMER BOYS, BETWEEN THE AGES OF 10 AND 18 YEARS TO JOIN OUR
MASON COUNTY HEIFER CLUB
Believing that the future progress and prosperity of Mason County depends upon the continuing development of its Agricultural interests and the business efficiency of our future Farmers, with the hope of being able to aid in those directions, we have decided to organize a Heifer Club for the Farmer Boys of Mason County.
ABOUT THE FIRST OF SEPTEMBER, 1917, we are going to purchase Fifty Grade Shorthorn Heifers about eight months old and weighing about 600 pounds, which we will distribute among the first fifty Mason County Farmer Boys, between the ages of 10 and 18 years, that apply for and agree to care for same and that can execute a bankable note covering the cost of the Heifer; which note shall be payable in the fall of 1918.
The Heifers will be bought by expert cattlemen connected with the Extension Service of the State College of Agriculture and be distributed among the boys by lot. Each boy will be given the same chance to make good, and required to become a member of the Mason County Boys' Agricultural Club and to care for the Heifer under the directions of the County Agent; to have the Heifer bred to a pure bred Shorthorn Bull, this fall, and to have her and her offspring ready for public exhibition and sale in the fall of 1918.
You will not be expected to put up a cent of money now; but, you must properly care for the Heifer and pay for it later and all the increase and profit will be yours.
About \$100 will be given away in prizes to the boys getting the best results, with their Heifers, at the exhibition to be held in the fall of 1918.
For full particulars call at Bank or see Mr. E. P. Boyd, Jr., County Agent, at once, as we want to close entries to the club by September 1st.
We are anxious to help Boys that are willing to work and learn.

GENERALS OVER FORTY-FIVE

General Pershing has recommended that no general officers of more than forty-five years of age be sent to France in command of American troops. According to report, many of the higher commanding officers active in this war are more than 55, some being over 60, and several approaching 70. Old men have commanded successfully in other great military undertakings, von Moltke being up 70 when he won the Franco-Prussian war. Generals Buller, Roberts and Methuen, who commanded the English forces in the South African war, were all old men, as were several of the Boer commanders. General Pershing's age limit is too low as a hard and fast rule, but his desire for comparatively youthful commanders in a war involving great physical strain is based on reason and common sense.

Most of the great military leaders of the world, from Alexander to Napoleon, were comparatively youthful and most wars have been won by young men. Wolfe was 42 when he fell on the Heights of Abraham. Nelson was 39 when he won the victory of the Nile. Wellington was 34 at Assaye and only 40 when he became commander-in-chief. The Duke of Marlborough was less youthful, being 52 when he became generalissimo in Flanders. Cromwell was 46 when he won Nasoby. Grant was 40 at Shiloh. Sheridan was only 33 when he took command of the Army of the Potomac's cavalry. Sherman was 44 when he marched to the sea, Lee was 54 when he became the South's military leader. "Stonewall" Jackson was only 37 and "Job" Stuart, the brilliant cavalryman, only 28, when they answered the Confederacy's call. Many more such names might be cited. The list of successful generals who were comparatively young is very much longer than the list of the successful who were advancing years.

It is reported that Pershing's request has been turned down by the Washington board that recommends officers for brigadier and major generalships, that unless President Wilson interferes the rule of seniority will prevail, and that the average officer recommended will be well over 55 years. In that case they should be subjected to a very searching physical examination before they are sent to France. Perhaps in this way the real solution of the problem may be reached, for some men are really more fit both physically and mentally at 60 than others at 45. The experience of regular army colonels and generals between 45 and 60 is needed and they ought to be employed in an advisory capacity at least. Nevertheless the Pershing proposition is highly important, and it is self-evident that a more seniority rule should be adapted to the demands of the situation.

NO WONDER

Elihu Root knows that his efforts in Russia were exposed to a back-fire from pretended Americans of foreign birth. He knows also that in this country all efforts to prepare for and win this war suffer from cunning and masked assault from the same source, and no wonder that, with a flushed face and clenched fist, he said the other night at the New York Union League: "There are men walking about this city tonight who ought to be shot for treason tomorrow. They are doing their work under false pretense; they are professing to be for the country and they are lying in every word. They are covering themselves with the cloak of pretended Americanism, and if we are competent and fit for our liberty we will find them out and get them." The worst of it is that they are in all our large cities, everywhere, perhaps even in Congress.

SHORE-BIRD SEASON—UNLAWFUL TO HUNT CERTAIN SPECIES AT ANY TIME

Reports and inquiries received by the United States Department of Agriculture indicate that sportsmen of certain States are somewhat confused in regard to the time when the shore-bird season opens under the migratory-bird regulations.

The Department has announced that it is unlawful to hunt at any time any shore birds except the blackbreasted and golden plover, the greater and lesser yellowlegs, Wilson snipe, and woodcock, the open seasons for which are as follows:

Blackbreasted and golden plover, greater and lesser yellowlegs: In Maine, New Hampshire, Massachusetts, Rhode Island, Connecticut, New York, New Jersey, Delaware, Maryland, and Virginia the open season is from August 16 to November 30, inclusive; in Wisconsin, Minnesota, North Dakota, South Dakota, Wyoming, Montana, and Idaho the open season is from September 7 to December 20, inclusive; in Oregon and Washington the open season is from October 1 to December 15, inclusive; in South Carolina, Georgia, Florida, Alabama, Mississippi, Louisiana, and Texas the open season is from November 1 to January 31, inclusive; in California, and Utah there is no open season; and in the remainder of the States the open season is from September 1 to December 15, inclusive.

The open seasons for shooting Wilson snipe or jacksnipe are the same as the open seasons for shooting waterfowl under the regulations.

The open season on woodcock in Zone No. 1 is from October 1 to November 30, inclusive, except in Illinois, Kentucky, and Missouri, where the season is closed until October 1, 1918; in Zone No. 2 the open season on woodcock is from November 1 to December 31, inclusive.

HOME-READING COURSE FOR CITIZEN-SOLDIERS

(Issued by the War Department and all rights to reprint reserved.)

This course of thirty daily lessons is offered to the men selected for service in the National Army, as a practical help in getting started in the right way. It is informal in tone and does not attempt to give binding rules and directions. These are contained in the various manuals and regulations of the United States Army, to which this Course is merely introductory.

LESSON NO. 11.
PLAYING THE GAME.

(Preceding Lessons: 1. Your Post of Honor. 2. Making Good as a Soldier. 3. Nine Qualities of a Soldier. 4. Getting Ready for Camp. 5. First Days in Camp. 6. Cleanliness in Camp. 7. Your Health. 8. Marching and Care of Feet. 9. Your Equipment and Arms. 10. Recreation in Camp.)

There is a gripping interest about the soldier's life that makes a strong appeal to vigorous Americans. This is doubly true in time of war when the soldiers have a serious object in view gives his whole mind to his new duties.

You will find this interest growing as you advance. New scenes and associates will bring you a new point of view. You will be less wrapped up than you have been in many purely personal questions. You will cut loose from many of the petty details which tend to smother a man's individuality. You will devote more time to thinking.

The healthy good fellowship of the camp also can not fail to stimulate you. Thousands of men drawn from all walks of life can not be thrown suddenly together without bringing to light many qualities previously unknown. You will probably become better acquainted with yourself than you have ever been before.

In order to get the most out of this new life you must devote yourself to it heart and soul. A good start is half the battle in making your way in the Army. Even if you are not now much interested in military affairs—if you are entering the service, not because inclination, but solely because it is one of your obligations as a citizen—you are going to become keenly interested after you once get into the swing and spirit of the Army. This will be true in at least ninety-nine cases out of every hundred. Recognize it now and play the game hard from the very start.

Your Monthly Pay

While the men in the National Army are serving at the call of duty and not for money, nevertheless everyone will be paid more than enough to take care of all necessary expenses. These expenses are very slight. Clothing, food and transportation are provided by the Government. In addition, the private soldier receives \$30 per month while he is in the United States and \$33 per month while he is abroad. Following is a table which shows the pay for some of the higher non-commissioned ranks:

Rank	Monthly Pay	
	In United States	Abroad
Private	\$30.00	\$33.00
First Class private	33.00	36.00
Corporal	36.00	40.20
Sergeant	38.00	44.00
First Sergeant	51.00	60.00

A man may allot such portions of his pay as he desires for the support of his family or relatives. He may deposit his savings with any quartermaster in sums of not less than \$5. The quartermaster will furnish to each depositor a book giving record of his deposits. On the discharge of a

KENTUCKY COMPANIES AND UNIT OF WEST VIRGINIA REGIMENT AT CAMP SHELBY

Hattiesburg, Miss., August 22—Five companies of infantry and one of cavalry are in their permanent training quarters at Camp Shelby tonight. Officers at the camp believe this is the only national guard camp in the nation that tonight contains troops assigned to its permanent.

The first unit to arrive was Company A, Fourth Indiana Infantry, from Rushville, Captain J. H. Kiplinger commanding. Then came two Kentucky units, Company C, of the Second Infantry, the Lexington home organization, Captain F. W. Staples, and Company A, Third Kentucky Infantry, the Bowling Green organization, with Captain Cooper Smith in command. Company C, First West Virginia Infantry, Buckhannon, with Captain J. C. Berry commanding, was next to arrive. Then came Company F, First Indiana Infantry, from Gary, and Troop A, First Separate Squadron, Indiana Cavalry.

All the units are well equipped, except the Rushville (Ind.) company, which arrived without tents or cots. The camp site is ready in every detail, except lights.

ARMY EXEMPTION DENIED TO BRYANT WASHBURN, WHOSE WIFE, TOO, APPEARS IN MOTION PICTURES

Chicago, Ill., August 22—Bryant Washburn, a widely known motion picture actor, must serve in the national army, Major B. M. Chipperfield, representing the Provost Marshal General, ruled today.

Washburn, who had passed the physical examination, claimed exemption on the ground that he had a wife and child dependent upon him.

Secret Service agents learned, Major Chipperfield said, that Washburn had a bank account of \$5,500, and that his wife, who was Mabel Forrest, an actress, had appeared in pictures before and after the birth of their child.

COOPER REFUSES TO SERVE ON KENTUCKY ELECTION BOARD — JACKSON ALSO MAY REJECT OFFER

Louisville, Ky., August 22—Coincident with the receipt of information here that J. Sherman Cooper has notified Governor Stanley that he is unwilling to serve as a member of the State Election Commission the report was spread here that Tom M. Jackson of Lebanon, the third man on the list of five recommendations made to the Governor, is loath to accept the post. The names remaining are those of W. C. Hanna, of Shelbyville, and William Gillman, of Scottsville, both of whom are affiliated with the bone-dry faction of the Republican party.

FLAT FEET NOT BARRED

Washington, August 22—Flat feet do not necessarily disqualify a man for army service. Provost Marshal General Crowder, in a telegram to state Governors today, called attention to the army's physicians' regulations, which specify that "a broad flat sole is common to laboring classes, way is disabling."

TIME IS THE TEST

The Testimony of Maysville People Stands the Test.

The test of time is what tells the tale. The public soon finds out when misrepresentations are made, and merit alone will stand the test of time. Maysville people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney Pills; they do so still. Would a citizen make the statement which follows unless convinced that the article was just as represented? Below is testimony such as the sufferer from kidney ills is looking for.

Fred Dresel, tailor and justice of the peace, 1238 E. Second St., Maysville, says: "I was troubled by inflammation of the bladder and annoyance from my kidneys. The kidney secretions burned in passage and often were retarded. I had severe pains across the small of my back which greatly interfered with my work. Doan's Kidney Pills, which I got at Wood & Son's Drug Store, gave me prompt relief."

Mr. Dresel gave the above statement on February 6, 1908, and on November 14, 1916, he added: "I have had the same faith in Doan's Kidney Pills today as ever, for I haven't had any trouble with my kidneys since I last recommended them."

Mr. Dresel is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Mr. Dresel has twice publicly recommended—the remedy backed by home testimony. 60c all stores. SECOND TRAINING CAMP AT FT. HARRISON TO BE COMMENCED BY LIEUTENANT COL ONEL READ

Ft. Benjamin Harrison, Ind., August 22—Lieutenant Colonel Alvan Read, formerly of the Ninth United States Infantry, was notified today he will command the second student officers' training camp at Ft. Benjamin Harrison, which begins next Monday.

Lieutenant Read was one of the instructors attached to the Eighth Training Regiment, composed of men from Ohio and West Virginia. Lieutenant Colonel Gignilliat is to be the senior instructor.

General Glenn leaves for Chillicothe Friday. General Glenn was at Culver today reviewing the academy troops.

Colds, Sore Throat, Etc.

Whatever remedy the physician may prescribe or you may take, be careful that the germ is not passed on to other members of your family. Avoid an epidemic.

This can usually be accomplished by keeping everything antiseptically clean with 20 Mule Team Powdered Boric. Make a quantity of boric water, as indicated by directions on the package, and everybody in the family use it freely as a mouth wash and gargle.

A little warmed may be snuffed up the nose occasionally for germ killing purposes. Leading druggists sell 20 Mule Team Boric.

LOCAL RED CROSS

Asked to Speed Up Garments—Telegram From Headquarters Urges Action Before Winter.

The Mason County Red Cross Chapter has received a telegram from Director J. J. O'Connor of the Central Division, requesting added efforts on the part of the local workers in the manufacture of Mason county's allotment of 150 sweaters, 150 mufflers, 150 pairs of socks and 150 pairs of wristlets for the soldiers of the Allies in European battlefields, and for thousands of French and Belgian refugees.

The wire from Director O'Connor follows: "To Hon. J. N. Kehoe, Chairman Mason County Chapter Red Cross. "Red Cross has urgent call from Major Grayson Murphy for enormous quantities of knitted woolen articles. Here is a cablegram from Major Murphy:

"Last winter broke all records for cold and misery among people here. Inexpressible dread coming winter finding us without supplies to meet situation. Urge you on behalf of our soldiers and those of our Allies who will suffer in their frozen trenches and also thousands of French and Belgian refugees and repatriates being returned through Switzerland and France. Everyone looks to America. Begin shipping at once one million five hundred thousand sort of warm knitted woolen articles already requested. They must come before cold weather, and in view of shortage of fuel and other discomforts, will be of incredible value in both military and civilian work."

"Your allotment is 150 sweaters, 150 mufflers, 150 pairs wristlets, 150 pairs socks. Full instructions will follow in two days. Ask your members to finish all knitting work now in hand and clear the deck for action. We want every chapter to have a chance to do its part in making good in this call for help from France. Chapter Chairmen requested to give full publicity to this first call. Then get knitting committees together and have them lined up for rush job. (Signed) "J. J. O'CONNOR, "Director Central Division, American Red Cross, Chicago, Ill."

SECRETARY-MANAGER OF CHAMBER OF COMMERCE

Asked To Devote As Much of His Time as Possible in Looking Over Proposed Route of Jackson Highway in Ohio—Work Has Been Held Back By Various Causes.

Some time ago, I wrote the Secretary of the Jackson Highway Association asking a report of the road situation to date. Today I received the following reply: Mr. Carl Dodds, Secretary-Manager, Chamber of Commerce, Maysville, Ky.

Dear Sir: A series of unexpected events have prevented the exploitation of the Jackson Highway through Ohio during the last year. On the first of March, Mr. L. T. Haney assumed the duties of the field secretary, and it was expected that after he had familiarized himself by a trip for personal inspection and observation of the Jackson Highway from Chicago to New Orleans, and the Alabama-Jackson Highway, that he would be in a position to take up the extension of the Jackson Highway through Ohio.

Since that time, as you well realize, important events have diverted public attention somewhat from highway construction. Recently Mr. Haney having received a more profitable offer for employment of his services, has resigned from the Jackson Highway Association and owing to the peculiar condition of the times, the Board of Directors have thought it best not to employ a field secretary at the present time.

We are anxious to advance the interests of the Jackson Highway right along, and if it is practicable for you to do some scouting on behalf of the Jackson Highway through Ohio, we would greatly appreciate it.

We would suggest that you would follow the proposed line of the Jackson Highway through Ohio, and any information that you may secure, or any interest that you can enlist, will be not only greatly appreciated by us but will be a source of great encouragement.

Under separate cover we are sending you a map of the Jackson and Alabama-Jackson Highways, which are self-explanatory of the situation up to date. There is a sentiment existing in the minds of the Directors, to the effect that the Alabama-Jackson should be extended on to the coast. Some action will probably be taken on this matter in the course of a short time.

We are not expecting any decided improvement or advancement of the Jackson Highway during the coming year, not because the interest has waned, but owing to a combination of peculiar circumstances in several of the states through which it passes.

For instance, in Indiana, the state highway commission is marking out their market roads, and the section of 60 miles — with a possible 128 miles of the Jackson Highway has been, or will be included in that system. In Kentucky, several of the counties having spent a good deal of money on the Jackson Highway in the last two or three years, have felt it imperative to build highways leading into the Jackson Highway this year. While in Tennessee, most of the state and federal aid is to be spent on an east and west highway from Bristol to Memphis, this project having long been a prime favorite with the citizens of Tennessee territory.

However, next year the commission advises us that the sections of the Jackson Highway will be given the first preference. From this synopsis you can realize that it is up to the Jackson Highway Association to sit steady in the boat, being confident that it is only a question of time until the Jackson Highway will be in high favor with all the states through which it passes. We will be pleased to hear from you as to the possibility of your making a trip up through Ohio, and will gladly ascertain the prospects for the development of the Jackson Highway through Ohio.

Very truly yours,
R. R. ELMORE,
Treasurer.

There will be a special service for the young people at the Forest Avenue M. E. Church this evening beginning at 7 o'clock. The pastor, Rev. J. F. Ruggles, will make an address. All the young folks of the East End are urged to attend.

Mr. Charles N. Bolinger has resigned his position with the First-Standard Bank and will move to Miami, Okla., where he has land interests.

LARGEST TROOP MOVEMENT

Ever Scheduled Now Being Perfected By the American Railway Association at Request of the United States Government.

Plans for the largest troop movement ever scheduled in the history of this country are now being perfected by the American Railway Association at the request of the United States Government. Altogether, 687,000 men will have to be transported to the various contingents that the Government is building to house the new National Army. The movement will start September 5th. Between that date and September 9th the railroads will complete the entrainment of 200,000 men, or approximately 30 per cent of the total number scheduled to be moved to the various training camps.

It is expected that a second movement of approximately 200,000 men will begin on September 19th, continuing for four days thereafter, and a third movement of the same size on October 3rd.

Some conception of the magnitude of the task confronting the American Railway Association in preparing schedules that will assure the safe and prompt transportation of these armies without interfering with regular traffic may be gleaned from the fact that to move merely one field army of 80,000 men requires 6,229 cars made up in 366 trains with as many locomotives and train crews.

ACCIDENTAL SHOOTING ACROSS THE RIVER

While handling a shot gun at Bradford's saloon in Huntington Township, Ohio, just across the river, last night about 7 o'clock, George Dale barkeeper, accidentally pulled on the trigger and the discharge took effect in the right foot of D. P. Stout, another bartender. Stout was brought to his home on East Second street, this city, where he received medical attention. It is thought that with proper care his wound will not prove serious.

Mr. Trapp is an old Maysville boy, being the son of Mrs. Bertie Trapp of East Fourth street. Great-grandfather John Shepard is bearing up splendidly under the news.

Mr. Ward Nash took possession this morning of the barber shop on Market street which has been run by Mr. Edward Duley. He invites all his friends to call on him at his new place of business.

MRS. KIESO SICK SEVEN MONTHS

Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Aurora, Ill.—"For seven long months I suffered from a female trouble, with severe pains in my back and sides until I became so weak I could hardly walk from chair to chair, and got so nervous I would jump at the slightest noise. I was entirely unfit to do my housework, I was giving up hope of ever being well, when my sister asked me to try Lydia E. Pinkham's Vegetable Compound. I took six bottles and today I am a healthy woman able to do my own housework. I wish every suffering woman would try Lydia E. Pinkham's Vegetable Compound, and find out for themselves how good it is."—Mrs. CARL A. KIESO, 596 North Ave., Aurora, Ill.

The great number of unsolicited testimonials on file at the Pinkham Laboratory, many of which are from time to time published by permission, are proof of the value of Lydia E. Pinkham's Vegetable Compound, in the treatment of female ills.

Every ailing woman in the United States is cordially invited to write to the Lydia E. Pinkham Medicine Co. (Confidential), Lynn, Mass., for special advice. It is free, will bring you health and may save your life.
